## PROFILE SUMMARY

Experienced **Full Stack Developer** with over **3+ years** of experience in web development, specializing in **HTML, CSS, JavaScript, jQuery, Core PHP, and PHP (Laravel)**. Proven ability to design and implement scalable architectures, and create responsive, user-friendly interfaces. Experienced in managing SQL databases, enhancing security through Vulnerability Assessment and Penetration Testing (VAPT), and maintaining code integrity with version control systems. Passionate about emerging technologies and dedicated to delivering high-quality, efficient solutions. Seeking new challenges to leverage my skills in full-stack development and contribute to innovative projects.

## SKILLS

<b>Front-End</b>	:	• HTML	• CSS	• JavaScript	• JQuery
<b>Back-End</b>	:	• PHP	• Laravel	• Java	• Spring Boot
<b>Database</b>	:	• MySQL			
<b>Other</b>	:	• AWS			

## PROFESSIONAL EXPERIENCE

### AU Small Finance Bank

*April 2022 - Present*

#### **Full Stack Web Developer (Senior Manager - Engineering)**

- Collaborated with cross-functional teams to gather and analyze project requirements, ensuring alignment and comprehensive understanding.
- Designed and developed responsive web applications using HTML, CSS, JavaScript, jQuery, and other web technologies.
- Managed SQL databases (e.g., MySQL) for efficient data storage and retrieval.
- Maintained code integrity and managed repositories using Git.
- Enhanced system and application security by addressing Vulnerability Assessment and Penetration Testing (VAPT) issues.
- Developed and integrated APIs for seamless data exchange between web services.
- Built and maintained web applications using PHP, Laravel, and JavaScript, adhering to best practices and coding standards.
- Provided recommendations on implementing new tools and practices by staying updated with industry trends and emerging technologies.

### Intern | BridgeLabz

*2021 Nov – April 2022*

- Proficient in front-end and back-end web development.
- Developed responsive web applications with a focus on user-friendly interfaces.
- Experienced in SQL database management.
- Skilled in Git for version control and collaboration.
- Hands-on experience with testing, debugging, and API integration.
- Optimized web performance to improve page load times and user experience.
- Committed to continuous learning and applying new skills in full-stack web development.
- **Key Achievements:**
  - Acquired valuable skills in both front-end and back-end web development.
  - Honed problem-solving abilities and gained practical experience in creating user-friendly and efficient web applications.

## PROJECTS

1. **LapDilite** - Developed a web application named LapDilite using Core PHP, JavaScript, HTML, and CSS. The project included various approval stages, document uploads, and a maker-checker process for loan creation and disbursement. Emphasized security and VAPT (Vulnerability Assessment and Penetration Testing) concerns while ensuring a user-friendly interface.
2. **Razorpay Payment Gateway** - Integrated the **Razorpay payment gateway** to handle the processing of login fees from customers via payment links, streamlining the payment process for users.
3. **CA Portal** - Develop a robust and user-friendly web application for verifying customer VKYC (Video Know Your Customer), utilizing Laravel, JavaScript, HTML, and CSS. Created the CA Portal, a web-based platform designed to streamline the VKYC process. The application allows for the approval and rejection of customers' video KYC submissions efficiently.

## Achievements

- ❖ **Star Award:** Successfully develop multiple application and completed in time.
- ❖ **Fast track promotion:** Engineering officer to software engineering manager.
- ❖ **Star Award:** Energetic and enthusiastic about work, with a proven track record of success on multiple projects.

## ACADEMIC RECORD

Course	Institute	Percentage
B.E (IT Eng.)	Finolex Academy of Management and Technology, Ratnagiri	63.12%
HSC	B.K. Jr. College, Sakharpa	58%
SSC	Sir J.P. High School, Malad(W)	80.20%

## PERSONAL DETAILS

**DOB:** April 13, 1999

**Languages:** English, Marathi and Hindi
